Polly E. Parsons MD, John E. Heffner MD : Pulmonary/Respiratory Therapy Secrets, 2e before purchasing it in order to gage whether or not it would be worth my time, and all praised Pulmonary/Respiratory Therapy Secrets, 2e:

0 of 0 people found the following review helpful. a professional look at respiratory issuesBy Pat CarrollVery good book, but WAY too deep for my purposes.

The new edition of this popular pulmonary/respiratory therapy text in question-and-answer format is completely updated and expanded. The new edition contains expanded coverage of endoscopy.The book contains 83 chapters

organized in 18 sections, covering all aspects of pulmonary evaluation, disease, and therapy. All chapters are thoroughly revised and updated. The new edition features a new chapter on Interventional Bronchoscopy. Thorough, highly detailed index.
