**Shiuko Kano : Punch Up!, Vol. 1** before purchasing it in order to gage whether or not it would be worth my time, and all praised Punch Up!, Vol. 1:

3 of 3 people found the following review helpful. Funny and sexy!By JLAWI just adore the main characters of this book: Maki Motoharu, the cool arrogant architect who turns into a blubbery mess when his runaway kitty is returned to him, and Ohki Kouta, a young construction worker, unlucky in love and vulnerable, but able to hold his own in a fight.It's so much fun to see their story unfold, with drama (including jealous exes), KANO Shiuko's signature hilarity, and well, a seriously hot variety of sex scenes. I love this manga and I couldn't be happier that SuBLime is publishing the whole series.SuBLime again gives us the wonderful original color page, and the rest of the book looks great as

well. The strangely ornate font used in Honey Darling is gone and a nice basic font is used. There is some censorship in this manga, but a lot of panels are full of gloooooorious detail. :D Cannot wait for the next volume!: Punch Up!, Vol. 20 of 0 people found the following review helpful. LOVE THIS MANGABy MFLove this manga. I have the complete series and it's a very good book. I would purchase more of the authors book but only has the available through kindell.0 of 0 people found the following review helpful. Five StarsBy ZengirlA cute story with some nice visuals.

Reads R to L (Japanese Style) for mature audiences. Architect Maki Motoharu is hanging out at the construction site ogling a particular hunky, well-toned construction worker when he is unexpectedly reunited with his lost cat, Shinobu. The reunion is all thanks to Ohki Kouta, a foul-mouthed young ironworker who found and cared for the lost cat. Unfortunately for Ohki, this act of kindness led to his eviction! When Maki agrees to take in young Ohki, will he be able to tame this feisty stray? Includes a bonus P.B.B side story.
