Five Stars By Zengirl A cute story with some nice visuals. 0 of 0 people found the following review helpful. Yaoi goodness? By Near It's a great series but it blurred out the sex scenes. T^T I bought it for the yaoi goodness not blurred mosaic. I would recommend going on mangapark or whatever site you use to read it online, not blurred out.

The relationship between architect Motoharu Maki and ironworker worker Kouta Ohki has settled down into a happy routine, but Motoharu is still battling feelings of jealousy over Kouta meeting up again with first love, Yuya. Kouta swears its over, but now that Yuyas boss is Motoharus new client, the two ex-lovers see each other more than ever. Is Kouta really over his first love, or are Motoharus feelings of jealousy justified? Includes a 25-page bonus story of a day in the couples steamy love life. Reads R to L (Japanese Style) for mature audiences.
