Garth Ennis : Punisher Max: The Complete Collection Vol. 4 before purchasing it in order to gage whether or not it would be worth my time, and all praised Punisher Max: The Complete Collection Vol. 4:

0 of 0 people found the following review helpful. Volume 4: Great art, great writing.By TimVolume 4 continues with Garth Ennis's excellent writing, as well as several talented artists. I was happily surprised to see "Punisher: The End" drawn by the great Richard Corben. I've been a fan of his artwork since Creepy and Eerie were being published.1 of 1

people found the following review helpful. Ennis long epic run farewell. By Bryan If only I could give 10 stars..0 of 0 people found the following review helpful. ... Ennis' run on Punisher in the Max imprint is awesome! I find it reminiscent of Leon By IamSquidGarth Ennis' run on Punisher in the Max imprint is awesome! I find it reminiscent of Leon: The Professional. I had read most of these stories individually but I recently read through them all in sequence and found that they are more serialized than I had expected. I therefore recommend getting volumes 1-4 of Punisher Max: The Complete collection and reading them all in sequence.

The Punisher's fiercest foe returns! As if a load of buckshot to the chest in shark-infested waters could put Barracuda down for good. But is even he man enough to play bodyguard to the hemophiliac son of a dangerous mob boss? If Barracuda can survive that gig, he'll be out to settle his score with Frank Castle. Meanwhile, the skull-chested vigilante hunts his biggest game of all, and makes Riker's prison his own personal playground. Plus, tales from Frank Castle's beginning and end! COLLECTING: PUNISHER PRESENTS: BARRACUDA 1-5, PUNISHER (2004) 50-60, PUNISHER: THE TYGER, PUNISHER: THE CELL, PUNISHER: THE END
