Very good, but very edgyBy SuperfanGoing in, I was expecting a sort of down-to-Earth coming of age tale amidst the concept of a Jesus clone and all the insanity that could come with it. Instead, I found a very interesting epic that basically flips the bird at the establishment and consumer culture. It did that very well.The artwork is very gritty, and the black and white printing reminded me of reading a manga. The graphics fit the tone of the story very well, and have earned Sean Murphy a new fan.The writing is solid overall, I just

feel like there could have been better messages and themes put into the book. The whole punk rock edge kind of comes out of nowhere and really mixes up the story from where it began. Some lines of dialogue were really cringeworthy, but I'm assuming they were written in there to portray what it's like to be a rebellious teen with a lot of pressure on your head. I really like the book. I'm not a religious person, but I couldn't see myself being offended by this if I was. It's surprisingly violent and disturbing at times, so I would warn squeamish people before checking it out. 0 of 0 people found the following review helpful. It also brings up very good points of extremism on both sides of Christian fundamentalists ...By Jonathan S. Chua I wasn't really certain what to expect when I got this. For the first half of the book you don't even see the Punk Rock persona pop out, and instead of the beginning focuses on the mother and the backstory surrounding the birth of the Jesus clone. It also brings up very good points of extremism on both sides of Christian fundamentalists and those looking to profit. The author's own leanings are made evident and the artwork is superb, and the story gives you a lot to think about. 0 of 0 people found the following review helpful. Quickly Became an all time Favorite By Josh I am a Christian and I really enjoyed this book. I've always loved punk rock music. The art evokes punk rock and is bleeding with style. The story is emotional and had amazing pace. I absolutely loved every aspect of this book. From title to credits. MUST BUY.

A reality TV show starring a clone of Jesus Christ causes chaos across the U.S. of the near future in PUNK ROCK JESUS, a new graphic novel written and drawn by Sean Murphy, the acclaimed illustrator of JOE THE BARBARIAN and AMERICAN VAMPIRE. J2 causes both outrage and adulation. Religious zealots either love or hate the show, angry politicians worry about its influence on the nation, and members of the scientific community fear the implications of cloning a human being at all, let alone the Son of God. Thomas McKael is the clones's bodyguard and former IRA operative, who despite his turbulent past is hired to protect the new Jesus--a baby who captivates the world, but grows up to become an angry teenager. When falling ratings force the network to cut Jesus's mother from the series the young star runs away, renounces his religious heritage and forms a punk rock band. And what starts off as babysitting for Thomas becomes an epic battle, as Jesus goes to war against the corporate media complex that created him. This deluxe edition collects Punk Rock Jesus #1-6 and features over 100 pages of new bonus material.

"Murphy has constructed a compelling, searching, and important tale that embraces some of the biggest questions of our day, and he does so using incredibly energetic art with dynamic, elastic compositional approaches."--Publishers Weekly Starred "Punk Rock Jesus is amazing. The series has been incredible right from the beginning and it ends in a spectacular fashion. It's brilliant and heartbreaking, epic and emotional.... This is book that makes you think. If you haven't been reading Punk Rock Jesus, you owe it yourself to pick up the collected addition when it releases this spring. Don't miss one of the best series of 2012."--IGN "Sean's work is flawless.... Punk Rock Jesus is the best kind of scifi--a meditation on liberty for the cyber-age."--Popmatters "Sean Murphy's Punk Rock Jesus belongs in the same league as Watchmen, it's a complete game changer."--Craveonline About the Author After breaking into the industry at a young age, Sean Murphy made a name for himself in the world of indie comics before joining up with DC. In his tenure, he has worked on such titles as BATMAN/SCARECROW: YEAR ONE, TEEN TITANS, HELLBLAZER, JOE THE BARBARIAN and the miniseries AMERICAN VAMPIRE: SURVIVAL OF THE FITTEST. Sean also wrote and illustrated the original graphic novel Off Road, as well as his recent popular miniseries, PUNK ROCK JESUS. Currently, he can be seen working as the artist on the critically acclaimed Vertigo miniseries, THE WAKE, with Scott Snyder.
