Joshua Hale Fialkov : Punks: the Comic Volume 1 (Punks the Comic Tp) before purchasing it in order to gage whether or not it would be worth my time, and all praised Punks: the Comic Volume 1 (Punks the Comic Tp):

Abe, Fist, Skull, and Dog live in a house, get into fights, murder gnomes, and punch each other in the nuts. A lot. Vomit-out-loud comedy guaranteed! From Joshua Hale Fialkov (The Bunker, The Life After, I, Vampire) and Kody

Chamberlain (Sweets, The Ride: Southern Gothic) comes a book unlikely to become a blockbuster movie. Much to their chagrin. Collecting Punks: The Comic issues #1-5.
