Kyousuke Motomi : QQ Sweeper, Vol. 2 before purchasing it in order to gage whether or not it would be worth my time, and all praised QQ Sweeper, Vol. 2:

A beautiful, but much deeper and complex manga than most are used toBy shardineI had high hopes for this series in the beginning because of who it was authored by. Its nice to see that I wasn't disappointed. QQ Sweeper is probably one of the most original ideas I've ever seen for a story since Library Wars began. It's like a breath of fresh air. But in order to really like it, you need to check your pre-canned

expectations at the cover. I can imagine that some people who are used to reading shonen manga like Bleach and Naruto would look at this series and go "really? A broom as a weapon?" To really get this series I think you need to kind of understand something. When the main character says "we don't use magic" and then proceeds to chant something, it's not because he's lying. He doesn't exactly "fight" things. He seems to do the equivalent of praying, exorcizing, and purifying evil and negativity which takes the form of bugs. The broom is just a tool of his trade as he exorcises these evils from people's minds. Yes... I know that's complex, but you need to really wrap your head around that concept or you probably won't enjoy this series. The story of this series takes a seemingly ordinary girl and plants her into this complex boy's world, and she thrives in it. More than that, this volume has proven to me once again that the author has an amazing love story planned. The main female character starts to become part of the family, and her past is revealed. I can imagine this manga series won't be for everyone. The concept is quite a bit deeper than a lot of the other manga I've read in my life. But it does seem like it will take us on a truly incredible ride. 0 of 0 people found the following review helpful. Four Stars By Nichole Bellow A fun series and a quick read. 0 of 0 people found the following review helpful. Five Stars By Tintooda Nakakescute and fun to read.

Kyutaro Horikita, the tall, dark and handsome cleaning expert of Kurokado High, is about to meet a sleeping maiden at the school: transfer student Fumi Nishioka! Fumi is going to learn how to rid the school of nasty spirits with Kyutaros help, and her heart will surprisingly be cleansed too! Fumi's image keeps overlapping with that of Fuyu, Kyutaros childhood crush, who remains in his thoughts to this day. Meanwhile, Fumi starts to work as a Sweeper with Kyutaros family, but she struggles with keeping her past a secret. Has Fumi finally found a place to call home or will her cursed past catch up to her?
