James Asmus, Tom Fowler : Quantum and Woody Deluxe Edition Book 1 (Quantum Woody DLX Hc) before purchasing it in order to gage whether or not it would be worth my time, and all praised Quantum and Woody Deluxe Edition Book 1 (Quantum Woody DLX Hc):

14 of 14 people found the following review helpful. Hilarious!By Board GamerA hilarious buddy cop superhero adventure. I have bought all of Valiant's new Deluxe Editions and this one is definitely my favorite. The jokes never

stop coming, there is plenty of action, and I love the artwork. I definitely recommend this to anyone trying to find a superhero comic that isn't grim or just mindless punching. 0 of 0 people found the following review helpful. Worth some time, if you've got time to chill. By D.RichmondMY least favorite of the Valiant titles in DELUXE or otherwise. But it's still entertaining and still better than most things you'll try from the big two. It has a sense of humor that you might just need to be in the right mood for... but this is worth it because all of this really made me enjoy THE DELINQUENTS. 3 of 3 people found the following review helpful. James Asmus at his best. By Alex DeRosaFantastic binding and great size. Writing is original and hilarious. Breath of fresh air among superhero comics. Rightfully nominated for multiple Harvey awards.

The most nominated series of the 2014 Harvey Awards! From award-winning writer James Asmus (Thief of Thieves, Gambit) and artists Tom Fowler (Venom), Ming Doyle (Mara), Kano (Gotham Central), and more, the origin of the world's worst superhero team starts right here in Quantum and Woody's first deluxe oversized hardcover collection! Once upon a time, Eric and Woody Henderson were inseparable. Adopted brothers. Best friends. Brilliant minds. Years later, they are estranged siblings, petty rivals, and washed-up failures. But when their fathers murder leads them into the throes of a life-altering scientific accident, Eric and Woody will find themselves with a whole new purpose and a perfectly legitimate reason to wear costumes and fight crime. Go big or go home, folks! Quantum and Woody are coming! Collecting Quantum and Woody #112 and Quantum and Woody: The Goat #0, the Quantum and Woody Deluxe Edition Book 1 oversized hardcover also features more than 20-pages of special features, including rarely seen designs, artwork, and behind-the-scenes bonus material by Tom Fowler (Hulk: Season One), Ming Doyle (Mara), Andrew Robinson (The Fifth Beatle), Ty Templeton (Batman '66), Ryan Sook (Seven Soldiers), and many more!
