Kathlyn L. Reed : Quick Reference to Occupational Therapy [With CDROM] before purchasing it in order to gage whether or not it would be worth my time, and all praised Quick Reference to Occupational Therapy [With CDROM]:

1 of 1 people found the following review helpful. 2 out of 2 professors recommend... Quick Reference Occupational Therapy!By Kathy BThis book was recommended by the OTA Program Director at my school. A second OTA professor recommended it as well. Based on both of their comments, I knew I just had to order it. I have used it to help me with homework assignments and to write papers. I think once I am practicing I will be very glad I made the
