While I speak Spanish, I hoped to augment my vocabulary in this particular area. Instead, I found that the speaker on the tape was difficult to understand, many words were translated inaccurately or into substandard Spanish, and the translations didn't account for gender or singular/plural differences. This has extremely limited usefulness. It certainly doesn't live up to the other comments.0 of 0 people found the following review helpful. Five StarsBy S. CalQuick and easy guide for LEO who need to know basic law enforcement terms.0 of 0 people found the following review helpful. Vital Information for Interacting With HispanicsBy Capital One VisaMexico is slowly moving North. This book will help law enforcement personnel deal with Hispanic suspects who speak or pretend to speak no English. The accompanying CD is a valuable resource to help them fine tune their pronunciation.
