Radcases Emergency Radiology before purchasing it in order to gage whether or not it would be worth my time, and
all praised Radcases Emergency Radiology:

Emergency Radiology presents the challenging cases that are most likely to be encountered by physicians and radiologists in the emergency room. It helps ER physicians correctly interpret images and thus quickly make initial diagnoses on both common and less common disorders. This book can also be used as an effective review guide for those studying for the radiology board exams.Key Features:Examples of critical cases that must be accurately diagnosed to avert potential disaster in daily practice and on examsClearly labeled, high-quality images help you absorb key findings at-a-glanceA scratch-off code in each book that provides a year of free access to a searchable

online database of 250 must-know cases, the 100 cases in the book, plus an additional 150 cases available only online
