Inc. BarCharts : Radiation Therapy (Quickstudy: Academic) before purchasing it in order to gage whether or not it would be worth my time, and all praised Radiation Therapy (Quickstudy: Academic):

1 of 1 people found the following review helpful. UsefulBy banana This item is a great reference. I'm currently a first year radiation therapy student and this quickstudy guide was a great refence for some of my classes. 0 of 0 people found the following review helpful. Five StarsBy An Exactly what I needed! 0 of 0 people found the following review helpful. Five StarsBy rachel hornel Good!

Radiation therapy (RT) is a dynamic but complex medical profession. Our comprehensive 3-panel (6-page) guide will make it all easy to understand, including the differences between RT and x-ray tech. All key aspects of RT from basic radiophysics and radiobiology to radiotherapy safety and procedures are covered in-depth, with up-to-date information

that is enhanced by useful charts, tables and images of cutting-edge equipment. Each section features The Tech Knows summary of critical points, set off graphically for easy reference.
