Cynthia A. Dennis, Chris R. May, Ronald L. Eisenberg : Radiographic Positioning Pocket Manual before purchasing it in order to gauge whether or not it would be worth my time, and all praised Radiographic Positioning Pocket Manual:

0 of 0 people found the following review helpful. Industry standard By Walter Juskiwicz Jr This the manual used in all our clinics across the country. It was great to get one at reasonable price in like new condition.

This is a guide to positioning the patient for x-ray. It is organized by body part and features photos of the patient in x-ray position and the x-rays themselves.
