E. Scott Pretorius MD, Jeffrey A. Solomon MD MBA : Radiology Secrets Plus, 3e before purchasing it in order to gauge whether or not it would be worth my time, and all praised Radiology Secrets Plus, 3e:

2 of 3 people found the following review helpful. ... is not what I expected I think it is good for medical students but not for radiologyBy Ahmad BakdaliéhIt is not what I expectedI think it is good for medical students but not for radiology resident1 of 2 people found the following review helpful. Five StarsBy david uranga cotaMore than expected0 of 1 people found the following review helpful. quality is good, book itself is greatBy TsaimuraiArrived without hassle, no damage, quality is good, book itself is great.

Radiology Secrets Plusa Secrets Series title in the new PLUS formatoffers an easy-to-read, information-at-your-

fingertips approach to radiology. Drs. E. Scott Pretorius and Jeffrey A. Solomon provide the expert perspective you need to grasp the nuances of this specialty. This new edition offers more information and expanded full color visual elements to provide an overall enhanced learning experience. All this, along with the popular question-and answer approach, makes it a perfect concise board review tool and a handy clinical reference. Maintains the popular and trusted Secrets Series format, using questions and short answers for effective and enjoyable learning. Provides the most current overview and authoritative coverage of all topics thanks to contributions from an impressive list of experts in the field of radiology. Introduces the new PLUS format, with an expanded size and layout and full color for easier review, more information, and more visual elements for an overall enhanced experience. Provides the current standards of radiology practice through thorough updates to every chapter that reflect the most up-to-date information. Contains more, larger images (including new full color PET and CT images), to offer a clearer picture of what is seen in practice.
