Barbara Aehlert : Rapid ACLS before purchasing it in order to gage whether or not it would be worth my time, and all praised Rapid ACLS:

2 of 2 people found the following review helpful. great companion to Aehlert textsBy Travis A Millerwell organized with tabsgreat pearls of wisdom explaining "why" AHA 2010 updates from previous versionperfect balance of size/text to be useful.3 of 3 people found the following review helpful. Good Overview.By L. F. BuehlerI was hoping I would be able to use this instead of the ACLS manual to prepare for the ACLS test. It is an excellent overview and I will carry it with me for it is a great quick or RAPID resource, but lacks the detail I was hoping for.0 of 0 people found the following review helpful. Rapid ACLSBy saundersvery compact. all the details that you need to know understand and memorize are all here.. comprehensive! i definitely recommend this
