**John R. Griffith, Kenneth R. White : Reaching Excellence in Healthcare Management (Ache Management Series Book)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Reaching Excellence in Healthcare Management (Ache Management Series Book):

0 of 0 people found the following review helpful. Best Price Available for College Book!By Reviewer S.N.Best price out there for this college bookEasy to understand, well written0 of 0 people found the following review helpful. As good as newBy newmomA much easier read than the WMHO book. If you are pressed for time--you can get the cliff notes version from this book0 of 0 people found the following review helpful. Used for a Public Administration courseBy Susan JacksonUsed for a public administration course. Easy reading and very informative

Quality is high at excellent healthcare organizations. Employees love where they work. Patients consistently check the top box in satisfaction surveys. Profits are increasing - even as costs are going down. Sound impossible? It's not. Reaching Excellence in Healthcare Management is a handy guide for healthcare managers, nurse leaders, physician executives, and department heads.

"Two of the most significant challenges facing healthcare providers are the mandate to move the organization from mediocrity to excellence and the necessity of incorporating clinical leaders in the process. Reaching Excellence in Healthcare Management provides a concise and understandable method for meeting these challenges. It identifies and shares best practices that will allow achievement of these goals." --Glenn A. Fosdick, FACHE, President and Chief Executive Officer, The Nebraska Medical Center"John Griffith and Ken White have developed what is sure to become the reference guide for both new and established healthcare executives. Reaching Excellence in Healthcare Management is a clear and concise summary of best practices for managing in our dynamic and complex industry." --Howard P. Kern, FACHE, President and Chief Operating Officer, Sentara HealthcareAbout the AuthorJohn R. Griffith, MBA, FACHE, is the Andrew Pattullo Collegiate Professor in the Department of Health Management and Policy at the School of Public Health at the University of Michigan, Ann Arbor. He has received the Gold Medal Award and won multiple publication awards from the American College of Healthcare Executives. Kenneth R. White, PhD, FACHE, is a professor in Virginia Commonwealth University's Department of Health Administration in Richmond, Virginia. He has more than 35 years of experience at healthcare organizations in clinical, administrative, governance, and consulting capacities, as well as academic experience in program development and leadership.
