**Dennis D. Pointer, Charles M. Ewell : Really Governing: How Health System and Hospital Boards Can Make More of a Difference** before purchasing it in order to gage whether or not it would be worth my time, and all praised Really Governing: How Health System and Hospital Boards Can Make More of a Difference:

A text for students who want to understand a critical component of health service organizations. It shows how the quality of governance can have a significant impact on the performance of a health care system or hospital and how to accomplish a level of quality.

About the Author John J. Hanlon Professor of Health Services Research and Policy
