Red Hood meets The Joker as death of the family crosses into this series. Red Hood is taken by Joker and forces into his twisted game with Red Robin. Arsenal and Starfire fight to find their friend. there is a lot of character changes in this one and so good twists. it is a decent tie in to the Death of the family story line

Reprints Red Hood and the Outlaws #0, 15-18, Teen Titans #16, and Batman #17. If you have Teen Titans, Vol. 3: Death of the Family, three of these issues are in that volume as well. So far this has been my personal favorite of The New 52. I'm really enjoying finding out more about the three in this book; although this volume focuses mostly on Jason Todd.

The Joker has returned! A year ago, the Joker had his own face removed and vanished from Gotham City--or so Batman and his allies thought. Surfacing once more, the Clown Prince goes after each member of the Bat-Family and systematically takes them down, leading to a final confrontation that will change the lives of the Dark Knight and his allies forever!  
Collects issues #0, 14-17 and TEEN TITANS #15-16.
