**Scott Lobdell : Red Hood/Arsenal Vol. 1** before purchasing it in order to gage whether or not it would be worth my time, and all praised Red Hood/Arsenal Vol. 1:

1 of 1 people found the following review helpful. A new take with two good characters By Michael Scott McAdams I don't know if I really like the new direction they are going with this title. They try to do a "heroes for hire" thing but it still seems like they're doing their own thing. And Red Hood's new costume makes him look like a hobo with a bat signal and guns... I still love the characters, but I liked them better in their last title. 0 of 0 people found the following

review helpful. A fun read By DCI enjoyed reading this. It was fun. I bought it because I like Jason (a.k.a. Red Hood) but Roy's great here too. The plot's not the strongest and there is some weirdness I think may be DC Rebirth foreshadowing, so no, not five stars. But there was witty banter and I read it with a smile on my face, and that's the point, right? :) 0 of 0 people found the following review helpful. Its ok By Mario Need more of an anti hero feel. Still feels heroic

Writer Scott Lobdell (SUPERMAN, RED HOOD AND THE OUTLAWS) and artist Denis Medri (Spider-Verse) give you more bang for your buck in RED HOOD/ARSENAL VOL. 1: OPEN FOR BUSINESS! Jason Todd: a former dead Robin turned Outlaw. Roy Harper: a self-destructive tech guru whose perfect aim falters when it comes to alcohol, women and finances. Alone, they've fallen on hard times. Together well, they're still falling on hard times. With the Outlaws disbanded, Red Hood and Arsenal go into business for themselves first as on-staff outlaws for mysterious fixer Tara Battleworth, then as freelance problem solvers. Unfortunately for them, business is literally booming after a jolting job interview with Underbelly, a seemingly invincible crime boss who claims to have a hand in the corruption running through every major city on Earth. Traveling to Gotham City to root out society's Underbelly, the armed brothers-in-arms must also contend with a techno-suited Batman that's unfamiliar to Jason, and the Hero Manifesto, a villainous organization looking to follow Red Hood and Arsenal's business model by eliminating the competition. The duo even earns a bonus: facing the self-proclaimed offspring of Gotham City's greatest mass murderer. Collects issues #1-6 and DC SNEAK PEEK: RED HOOD/ARSENAL #1.

"Impressive..." - Comic Book Resources "Buddy Action Comedy..." - Newsarama About the Author Scott Lobdell is a veteran of the comic book industry, having worked with nearly every major American comic book publisher. Lobdell is best known for his work on Marvel's X-Men franchise in the 1990s, penning such works as Uncanny X-Men, Excalibur, The Age of Apocalypse and Generation X, among others. He is currently the writer of Doomed and Red Hood/Arsenal.
