**Charles Soule : Red Lanterns Vol. 4: Blood Brothers (The New 52)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Red Lanterns Vol. 4: Blood Brothers (The New 52):

0 of 0 people found the following review helpful. an anti-hero at worst and the series' main characterBy JW AppelMy one complaint for this is how the new writer suddenly decided to turn Atrocitus, an anti-hero at worst and the series' main character, into the villain in order to bring Guy Gardener into the fold. That being said, the new direction is no

less enjoyable. 0 of 0 people found the following review helpful. Guy never looked so at home in Red By Tucker LaCour! I never would have expected Guy as a Red Lantern to be such a natural fit. Guy, tired of never being appreciated, storms into the Red camp and takes it by force. Under his new leadership, the Reds become more streamlined, and the adventures they go on are great reads. It's fun to see Guy in his element, and props to Soule for writing a much better Red Lantern story than the previous writer. This is your go-to place in the post-Johns era GL landscape, skip everything else but this and Sinestro. 1 of 1 people found the following review helpful. Five Stars By Dylan McGregor Excellent series, next to Green Lantern Corp this is my favorite ring slinger series since Blackest Night.

Enter Guy Gardner of the Red Lantern Corps! Hal recruits Guy on an impossible mission - to spy on the Red Lantern Corp from within. But when the red ring takes hold of Guy again, it takes everything in him not to lose himself. And with the Red Lantern Corps still in shambles after the First Lantern's attack, they are completely unprepared for the ancient evil known as Relic. Collects Red Lanterns #21-26 and Green Lantern Annual 2.

About the Author Based in Brooklyn, New York, Charles Soule is a writer of novels (graphic and otherwise), comics, screenplays and stories of all types. He plays the guitar fairly well and speaks at least one language.
