Be advised that much of the information is contained on ...By rayguyBe advised that much of the information is contained on the website MRIsafety.com. If you need a printed version this is for you.0 of 0 people found the following review helpful. Handy dandyBy OBArrived quickly, handy dandy reference for MRI staff to use.0 of 0 people found the following review helpful. Great resource for MRIBy Justin BrownGreat resource for MRI! Thanks for putting all the work into this book. I do miss getting a lanyard with the purchase of a book.
