Jonathan Park, Jones David : Refraction and Retinoscopy: How to Pass the Refraction Certificate (Masterpass)
before purchasing it in order to gage whether or not it would be worth my time, and all praised Refraction and Retinoscopy: How to Pass the Refraction Certificate (Masterpass):

0 of 0 people found the following review helpful. Five StarsBy Ryan Ramoutarexcellent book for passing the refraction certificate....definitely helped me greatly!

In order to become a Consultant Ophthalmologist it is necessary to learn the skill of refraction and retinoscopy which requires a great deal of skill and practice. This full-colour, comprehensive revision guide has been specifically tailored for candidates of the mandatory Refraction Certificate Examination assessed by the Royal College of Ophthalmologists.
