G. Gunderson, J. Cochrane : Religion and the Health of the Public: Shifting the Paradigm before purchasing it in order to gage whether or not it would be worth my time, and all praised Religion and the Health of the Public: Shifting the Paradigm:

0 of 0 people found the following review helpful. Very academic but worthyBy KBRPutting theory to practice

The book proposes a critical theory of the role and place of religion in public health and argues for a programmatic

reorientation of these two fields of practice and inquiry to more effectively align religious health assets - widely present in many contexts - and public health services and facilities.

About the Author GARY GUNDERSON Senior Vice President for Health and Welfare Ministries for Methodist Healthcare and the Director for the Interfaith Health Program at Rollins School of Public Health at Emory University, USA. JIM COCHRAN Professor of Religious Studies at the University of Cape Town, South Africa, Co-Principal of the African Religious Health Assets Programme (ARHAP), and Director of the Research Institute on Christianity in Southern Africa (RICSA).
