Barbara Gurr : Reproductive Justice: The Politics of Health Care for Native American Women before purchasing it in order to gage whether or not it would be worth my time, and all praised Reproductive Justice: The Politics of Health Care for Native American Women:

1 of 1 people found the following review helpful. Five StarsBy patricia dabkowskiA social/personal look at for health

for women on reservations

In *Reproductive Justice*, sociologist Barbara Gurr provides the first analysis of Native American women's reproductive healthcare and offers a sustained consideration of the movement for reproductive justice in the United States.

"Gurr presents Native women as theorists about these policies. She looks to the promising ways forward offered by Native reproductive justice organizers, while not romanticizing the impact this work has had on communities overall."
