Aya Kanno : Requiem of the Rose King, Vol. 4 before purchasing it in order to gage whether or not it would be worth my time, and all praised Requiem of the Rose King, Vol. 4:

0 of 0 people found the following review helpful. Rose king learns to reign!By KayugaIt gets easier to follow and the characters become more fleshed out as the series progresses. I think its lots of fun and the art is good. It's a shame it isnt more popular. Im excited to see what happens next, everything has gone all topsy turvey and promises to so only more in the future1 of 1 people found the following review helpful. love this seriesBy PFORTI really love this series.

It's full of action and emotion and the artwork is amazing. Who wouldn't be in love with Richard? I can't wait to see where the story goes next. I was a fan of the *White Queen* miniseries so I wasn't sure how I would feel about this version of the War of the Roses, but so far I think I might even like it better than *White Queen*. Her take on Richard is so original and I love the gender-bending. You must check out this series for yourself. 0 of 0 people found the following review helpful. Love it By Jude~4/5 (Contains light spoilers.) This series just gets better and better with every volume, and at this point, if you're not following it, you should be. I love the depth and the thoughtful way of everything, it's beautiful and impressive. I don't even know the stories that this series is from, and it doesn't matter. I'm still so caught up in the story. It's beautiful. There's a couple fun scenes where Anne grows closer to Richard, where we see that they might be able to have a real relationship. But there's underlying darkness from their families the entire time, and that finally ruins their progression. There are a couple of marriages being arranged, Elizabeth is still working through her plan of revenge and getting closer to it, Margaret is also progressing on hers. The Earl of Warwick finally moves forward with his plans to dethrone Edward, though he gets a little stuck at one point. And we finally see Richard reach a conclusion, and see that he's going to be pushing forward with his own new plans, though he finally has an ally in Catesby. I love this series, and I'm addicted. I'm patiently waiting the next one. A review copy was provided by the publisher, VIZ Media, for an honest review. Thank you so, so much! [More of my reviews are available on my blog, [Geeky Reading](#), to which there's a link on my profile.]

Richard, the ambitious third son of the House of York, believes he is cursed, damned from birth to eternal darkness. But is it truly fate that sets him on the path to personal destruction? Or his own tormented longings? Based on an early draft of Shakespeare's *Richard III*, Aya Kanno's dark fantasy finds the man who could be king standing between worlds, between classes, between good and evil. An uprising draws King Edward, with Richard at his side, to battle. The aftermath could result in a new king. But who will take the throne? If Richard has anything to say about it, it will be neither of his brothers.

About the Author Aya Kanno was born in Tokyo, Japan. She is the creator of *Soul Rescue*, *Blank Slate* and the *New York Times* bestselling series *Otomen*.
