**George F. Wallace DPM FACFAS : Residency Training, An Issue of Clinics in Podiatric Medicine and Surgery, 1e (The Clinics: Orthopedics)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Residency Training, An Issue of Clinics in Podiatric Medicine and Surgery, 1e (The Clinics: Orthopedics):

This issue focuses on the important considerations in residency training. Experts explore such topics as research during residency training, teaching during rounds, in-training exams, competencies as an evaluation tool, conducting a meaningful interview, the successful journal club, training a competent surgeon, the 360-degree evaluation, evidence-based medicine, and simulator training.
