Ann E. Fields : Resolving Patient Ambivalence: A five Session Motivational Interviewing Intervention before purchasing it in order to gage whether or not it would be worth my time, and all praised Resolving Patient Ambivalence: A five Session Motivational Interviewing Intervention:

2 of 2 people found the following review helpful. for beginnersBy RhondaThe book seems to have been written for beginners based on the simplistic information and lack of substance. I was far from satisfied with this purchase!0 of 0 people found the following review helpful. Four StarsBy Gayle B.I was looking for a little more motivational interviewing group activities.

A five session Motivational Interviewing Intervention to assist patients in resolving their ambivalence about changing

a problem health behavior by increasing their intrinsic desire for change.
