Reuben M. Cherniack MD, Louis Cherniack MC FRCP FRCP(C) FACP FCCP : Respiration in Health and Disease, 3e before purchasing it in order to gage whether or not it would be worth my time, and all praised Respiration in Health and Disease, 3e:

A comprehensive and well-organized examination of respiration in health and disease. Contains information on infectious diseases and immunological function, respiratory drugs, care of the airway, mechanical ventilation, and assessment and monitoring of the clinical status. Coverage also includes family and social considerations, and nutrition and weaning.
