**George G. Burton, John E., M.D. Hodgkin, Jeffrey J. Ward : Respiratory Care: A Guide to Clinical Practice**  
before purchasing it in order to gage whether or not it would be worth my time, and all praised Respiratory Care: A  
Guide to Clinical Practice:

Clinical in approach, this book discusses such topics as the infectious disease aspects of respiratory care; chest  
physical therapy; neonatal and paediatric respiratory care; home care; cardiopulmonary resuscitation; and care of  
neurologic/neurosurgical and trauma patients.
