Mike Richardson : Return of the Gremlins before purchasing it in order to gage whether or not it would be worth my time, and all praised Return of the Gremlins:

1 of 1 people found the following review helpful. Great value. By 216Bruce If you have any interest in Disney's "Gremlins" from WW II then this is a must have. Comprehensive in scope and practically produced. Original story by Roald Dahl, new adventures, original art...everything. Great value. 1 of 1 people found the following review helpful. A must to own! By Reid Woolery If you're a Disney fan and you follow the work done by Dahl during the 1940s then this

book is a must. Well written and just plain fun!

When a young American named Gus inherits his late grandfather's English estate, he hopes to sell the place and be on his way. But then, strange things start happening in the house. Gus's suspicions are confirmed when he learns the house isn't haunted--it's infested with Gremlins! The mischievous Gremlins are back! Based on the creation of beloved children's author Roald Dahl, these playful creatures have been in the public eye since World War II, disassembling fighter planes and causing havoc wherever they go. This beautiful hardcover collects Dark Horse's Return of the Gremlins comics, as well as an archive of classic Gremlins comics and stories from the 1940s!

About the Author By the mid-1980s, Mike Richardson had already established himself as a business leader in the Portland, Oregon metropolitan area with the successful chain of retail comic-book shops he founded after graduating from college. In 1986, he invested profits from his chain of bookstores and with that money founded Dark Horse Comics. Richardson determined early on that great stories were great stories no matter the medium in which they're told. This belief led the publisher to explore the world of filmmaking and he established his own filmmaking company, Dark Horse Entertainment, in 1992. The company's first major film - The Mask, starring Jim Carrey and Cameron Diaz was a huge smash and among others, includes the recent critically and commercially successful feature film, Hellboy. Today Dark Horse Comics is the third largest comic-book publisher in the U.S. and is recognized as the world's leading publisher of licensed comics material. The author lives in Lake Oswego, OR..
