"Rick and Morty is fun and hilarious and all those things that you really want from a comic..." - NewsaramaThe hit comic book series based on Dan Harmon and Justin Roiland's hilarious [adult swim] animated show RICK MORTY is now available in its first collection! Join the excitement as depraved genius Rick Sanchez embarks on insane adventures with his awkward grandson Morty across the universe and across time. Caught in the crossfire are his teenage granddaughter Summer, his veterinary surgeon daughter Beth, and his hapless son-in-law Jerry. This collection features the first five issues of the comic book series, including ""The Wubba Lubba Dub Dub of Wall Street," "Mort-Balls!" and more, along with hilarious mini-comics showcasing the whole family.

BOOKLIST-Rick and Morty, the unlikely pair at the heart of the hit Adult Swim cartoon, happily bring their signature blend of brainy sci-fi and surreal, warped mayhem to print. When dissolute genius Rick builds a device to predict the future of the stock market, he and his bumbling teenage grandson, Morty, hit the big time. But time cops catch on to their scheme, and they're sentenced to prison in a torturous labyrinth. That's a tidy metaphor for most Rick and Morty plots, since Rick has his fingers in just about every parallel universe, so moments of sentimentality can easily turn on a dime with an interdimensional leap (and a knowing wink to the reader), hurtling hapless Morty in myriad disorienting directions. Though readers unfamiliar with the show might be thrown off by the idiosyncratic speech style, it's a pitch-perfect replica of the voice actors' performances, and the artwork, full of exaggerated cartoon shapes and grotesque creatures, expertly mimics the animation. With intelligent plots and lowbrow jokes aplenty, this is tailor-made for older teens.
