Kyle Starks, Marc Ellerby : Rick and Morty Volume 4 before purchasing it in order to gage whether or not it would be worth my time, and all praised Rick and Morty Volume 4:

0 of 0 people found the following review helpful. There are great jokes, visual gagsBy Daniel CaseyA bit more of a clear, continuous arc through the issues of this volume. Although, it feels a bit less meaningful than previous collections--only slightly so. There are great jokes, visual gags, adventure, and grim existential observations that provoke defensive laughter. So still a great supplement to the show1 of 1 people found the following review helpful.

Wubba Lubba Dub Dub!!By Kimberly LarsonOf the 4, this is my least favorite, but it's still amazing. :)0 of 0 people found the following review helpful. Some people mentioned that this book isn't as good as the first 3By BrianSome people mentioned that this book isn't as good as the first 3. I disagree, this has the same quality as the other books. I enjoyed the storylines. If you enjoyed the first 3 books or the TV show, this is a must buy! Art and writing is superb.

The hit comic book series based on Dan Harmon and Justin Roilands hilarious [adult swim] animated show RICK MORTY continues! Catch up on the adventures of degenerate genius Rick Sanchez and his bumbling grandson Morty as they explore the outer reaches of time, space, and morality. This volume features Eisner award nominated writer Kyle Starks (Sexcastle) in collaboration with series artist CJ Cannon in a three-issue story of interplanetary drug rings and star-traveling pickup artists. Also included is "Rick Burn, Dude," drawn by artist Marc Ellerby, in which Rick and Morty take a germaphobic planet by storm, a totally swole one-shot drawn by Kyle Starks, and hilarious backup comics about the whole family!
