Chuck Dixon : Robin Vol. 1: Reborn before purchasing it in order to gauge whether or not it would be worth my time, and all praised Robin Vol. 1: Reborn:

0 of 0 people found the following review helpful. Tim Drake is the Ultimate Robin By Fallout Ghost One thing you should know before going into this: This is Tim Drake's debut as Robin. If you haven't already, please read "Batman: A Death in the Family" before diving into this series. In that you will see the transition of Robin's and Tim Drake's

first appearance. I have read plenty of graphic novels about the Dark Knight. Most of them happen to take place in the era of Tim Drake as Robin. In my experience with Batman, Tim Drake has always just been a boring, supporting character in the background to take up space. He has always been a "fan favorite" Robin. "whats the big deal?" I thought to myself. Surely there is a reason my Tim Drake is deserving of such popularity. Boy, was I missing out! When you actually get a more focused perspective on Tim Drake as the main protagonist, he is truly fascinating. He easily the most intelligent Robin, to say the least. He is born to be the worlds next greatest detective, without any question. Tim Drake is a very analytical and tactical thinker. You always feel aware of your surroundings when in the psychology of Tim Drake. I love you Dick Grayson, but Tim Drake is my new favorite Robin. This is a collection of Tim Drake's first few adventures as Robin. It is a slow start with a satisfying payoff to see Robin in costume. This collection of issues is the perfect way to introduce yourself to the character. (Without too many spoilers), this book will show you the tragedy of Tim Drakes parents (very touching/sad) and how he balances with civilian/student life with his life as a superhero. This also shows how difficult it can be to work for Batman. This has a very satisfying outcome to how Tim gains Batman's trust. 14 of 16 people found the following review helpful. Great, but missing important works...By J. Brady As someone who purchased the original content of this book as it came out, I must say that this collection is well worth it, and it does justice to the material. However, as an intro/origin to the character of Tim Drake as Robin, it fails. The following stories should be read BEFORE the contents of "Robin vol 1: Reborn". Tim's story really begins in "Batman: Year Three", which is partly about Dick Grayson's origin. Tim's first appearance is a brief cameo in Batman #436, the first part of B:Y3 (#436-439). This story line has not been collected or reprinted in any form, but it is available digitally on Comixology. His next full appearance occurs in the story line "A Lonely Place of Dying", a five-part crossover between the Batman series (#440-442), and the New Titans series (#60-61). This story serves as Tim's proper introduction, and it serves as a reminder to the importance of why Batman 'needs' a Robin. "A Lonely Place of Dying" has been reprinted in the most current edition of the "Death in the Family" trade paperback, as well as the digital version on Comixology. The individual issues are also available on Comixology. The final missing piece of Tim's origin as Robin is New Titans #65. Tim and Dick talk about what it means to be Bruce's partner, and to be Robin. Dick gives Tim an introductory class on detective work, to give him an idea of what he's in for. NT 65 has not been reprinted anywhere, but it is available digitally on Comixology. 3 of 3 people found the following review helpful. I would have liked it better if it came in a hardcover edition By DVZI would have liked it better if it came in a hardcover edition, but otherwise it's a great collection of Tim Drake's beginning appearances.

After discovering Batmans identity, Tim Drake must now endure months of intensive physical training before he can publicly debut as the Caped Crusaders new partner. Given an all-new hi-tech costume and the encouragement of former Robin Dick Grayson, Tim is finally ready to don the identity he was born for: Robin! But when his parents are kidnapped by the Obeah Man will Batman be able to save them or will tragedy find Tim Drake? Then, Robin must survive a final baptism by fire as he travels overseas to learn martial arts from one of the worlds greatest fighter the deadly Lady Siva. Flying solo for the first time, he comes across a diabolical plot by Batmans old enemy King Snake and must prove that he is worthy of the mantle of Robin! ROBIN: REBORN collects in chronological order for the first time ever BATMAN #455-457, DETECTIVE COMICS #618-621, and ROBIN #1-5. Detailing the journey of fan favorite Tim Drakes transformation into Robin are classic comic creators ALAN GRANT (BATMAN: SHADOW OF THE BAT), CHUCK DIXON (NIGHTWING), NORM BREYFOGLE (BATMAN BEYOND) and TOM LYLE (STARMAN)!
