Joshua Williamson : RoboCop: Dead or Alive Vol. 1 before purchasing it in order to gage whether or not it would be worth my time, and all praised RoboCop: Dead or Alive Vol. 1:

3 of 3 people found the following review helpful. Awesome comic if you're a fan of Robocop!By NickI haven't read a comic book since I was a kid. I've been wanting to get back on some but I didn't know where to start. I read the description on this and It sounded like I might like it considering how much I loved the movie trilogy. This takes place right after the first movie and believe me it really does feel like it. It's brutal, Robocop sounds like himself and so does

officer Lewis. It really takes you back. I pre ordered volume 2 right after finishing!3 of 3 people found the following review helpful. Robocop is back.By Texas LawmanThis is truly a sequel to the 1987 movie. The illustrations are beautiful and the dialogue is spot on and it really feels like a Robocop story. I can't wait for more.

Only months after the death of Clarence Boddicker, RoboCop and Officer Anne Lewis are in the middle of an OCP gun initiative that has turned the streets of Old Detroit into a raging inferno with bullets flying. With the political uprising of a deadly and charismatic criminal, Killian, no one in the city is safe and no law is set in stone. Killian went into the slammer before RoboCop hit the streets, but now he wants to take out the biggest cop in the city. Joshua Williamson (NAILBITER; BIRTHRIGHT) and Carlos Magno (COUNTDOWN TO FINAL CRISIS; PLANET OF THE APES) return RoboCop to the roots of the original film with this critically acclaimed series.

About the AuthorJoshua Williamson writes comics, kids books and lives in Portland OR, home of big trees, rain, Oni Press and Dark Horse. He has been published by DC Comics, Marvel, Oni Press, Image, Dark Horse, and Desperado. Carlos Magno found his first job at BOOM! Studios, drawing a story written by Mark Waid in ZOMBIE TALES. He has worked on DC's BATMAN, TANGENT: SUPERMANS REIGN and his work on BOOM! Studios PLANET OF THE APES ongoing series garnered Magno rave reviews and a dedicated fan base. Magno lives in So Jos dos Pinhais, Brazil with his wife Ingrid and his son Eduardo.
