Joshua Williamson, Dennis Culver : Robocop: Dead or Alive Vol. 3 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Robocop: Dead or Alive Vol. 3:

RoboCop and Anne Lewis must defend OCP and the Detroit police department from the ultimate uprising led by Killian and the people of Detroit. Serve the public trust. Protect the innocent. Uphold the law. Killian's endgame is set

into motion. As the people of Old Detroit rally behind Killians rebellion, RoboCop, Detective Anne Lewis, and the Police Department must prepare for the end of law and order. With OCP watching from their high towers, they will soon be brought to their knees as the Old Mans greatest secret is held hostage. Three worlds will collide and all comes to a head in this final chapter. Writer Joshua Williamson (The Flash; Nailbiter) teams up with co-writer Dennis Culver (E Is For Extinction) and artists Alejandro Aragon (28 Days Later) and Amancay Nahuelpan (Clive Barkers Hellraiser: Bestiary) for the conclusion of the critically acclaimed series.

Concludes what is hands down the best RoboCop series ever written. 5/5 --Bloody Disgusting
