By \$ko7 If you're wondering what all this buzz about a talking raccoon is leading up to Marvel's Guardians of the Galaxy, this is the best place to start. It has the original mini series, a more recent set of backup story and a few obscure stories featuring the talking tree named Groot. If you

want to learn about the Guardian's of the Galaxy and don't really care about the talking raccoon (or talking Tree), then you should check out one of the other graphic novels Marvel has released. 1 of 1 people found the following review helpful. Wacky Hijinks Abound! By Sara O. Okay, if you're expecting a grim, serious storyline with deep character development, why on earth are you reading a Rocket Raccoon title? For what it is, it's a lot of fun, but this is not the movie Guardians of the Galaxy Rocket. It begins with some of the older issues featuring our hero, which are definitely a product of their time. In other words, if political correctness is what you crave, you'd be better served elsewhere. I really liked it thought it was a delightful read from front to back (Although the British Rocket was a little weird, old bean)! 0 of 0 people found the following review helpful. this is an essential collection for those who love everyone's favorite raccoon and tree duo By James Justus Collects the first appearances of Groot (who is wildly different at his conception) and Rocket Raccoon, this is an essential collection for those who love everyone's favorite raccoon and tree duo.

After the Guardians of the Galaxy disbanded, Rocket Raccoon settled into a quiet life with a steady job in a mailroom. But when a killer clown made of sentient wood attacks him at work, the trigger-fingered and quick-witted hero must journey to Planet X - home of his old buddy Groot, the giant tree-creature - in search of answers! The cosmic dream team is reunited at last! Then: Mojo, bloated entertainment mogul of the Mojoverse, battles Rocket Raccoon and Groot...onstage! It's a high-stakes campy cosmic free-for-all! Plus: get caught up on the early adventures of Rocket and Groot! COLLECTING: Tales to Astonish (1959) 13 (Groot story ), Incredible Hulk (1968) 271, Rocket Raccoon 1-4, Marvel Preview 7 (Sword in the Star story ), Annihilators 1-4 (Rocket Raccoon Groot stories ), Annihilators : Earthfall 1-4 (Rocket Raccoon Groot stories )
