Tskune and his mighty harem of lovely ladies (plus Fengling) is ready to take on the forces of Fairy Tale, rescue Moka, and bring their dream of human/monster co-existence to reality. At Fairy Tale HQ, Aqua shows Moka the reason she was brought there as they stand before the sleeping form of Alucard and tells her where her mother is. But as you know plans do not follow their normal course when the leader of Fairy

Tale, who is a very powerful vampire herself (along with a secret that I cannot divulge) discovers the group and tries to stop them from reaching Moka and stopping her plan of destroying the human race. Its the leaders of the Fairy tale branch offices vs Yokai Academy's most powerful group of students in no hold barred fights to the finish as Ruby faces a Thunder Beast (which she enjoyed far too much), and FengLing faces his family's rival group in the form of a cute psycho chainsaw wielder and her sister with Yukari at his side. The stage is set to see which side will win. I do not know what will happen when we get to the end of this rollercoaster but the bodies are going to pile up and blood will be spilled. Who will survive to see the fruition of their dreams. 2 of 2 people found the following review helpful.

DON'T LET THE ANIME FOOL YOU!!! By Kesamn This is a great story that includes a lot of the monsters that we all know and love in a high school setting. It is cute, funny, action packed and sexy but I implore anyone who has seen the anime and hated it **DON'T JUDGE THIS MANGA BY THE ANIME!!!** The story is stronger, the dialogue is better and the characters are far less annoying! The manga does not insult your intelligence but still provides an array of fan service to the benefit of the story instead of at the expense of it. Everything from epic beat downs, dramatic transformations, to steamy situations without the ridiculous over abundance of panty shots and idiotic banter. But that is not to imply that there aren't ANY panty shots. Story wise it is very well written and will always leave you wanting more. One of the most likable things about the manga is the consistent character development between each other and independently. It is one of my favorite manga and I can't wait for the volumes to come. 5 of 5 people found the following review helpful. There's no turning back once you enter! By natasha sakuraimay have a few spoilers! Once tsukune comes to his senses (with the help of kurumu's determination) him and company make their arrival to fairy tale headquarters. The group get inside but it looks like they should have left when they had the chance! It turns out the leader of this organization has something interesting you will learn-just know that there is no fun and games. Tsukune is quick to display some of his new power to get past a few minions but a certain character is who'll be doing the first "actual battle" against the other branch office leaders. If you haven't read this volume yet you need to because things start to get very explosive!

Love bites! Average human teenager Tsukune accidentally enrolls at a boarding school for monsters--no, not jocks and popular kids, but bona fide werewolves, witches and unnameables out of his wildest nightmares! On the plus side, all the girls have a monster crush on him. On the negative side, all the boys are so jealous they want to kill him! And so do the girls he spurns, because he only has eyes for one of them--the far-from-average vampire Moka. On the plus side, Moka only has glowing red eyes for Tsukune. On the O-negative side, she also has a burning, unquenchable thirst for his blood... Kidnapped Whats the best strategy to rescue a kidnapped friend from the sinister organization Fairy Tales floating fortress in the sky? a. turn tail and run the other way b. keep pushing on despite the odds c. send in the clowns Reads R to L (Japanese Style).
