It is cute, funny, action packed and sexy but I implore anyone who has seen the anime and hated it DON'T JUDGE THIS MANGA BY THE ANIME!!! The story is stronger, the dialogue is better and the characters are far less annoying!The manga does not

insult your intelligence but still provides an array of fan service to the benefit of the story instead of at the expense of it. Everything from epic beat downs, dramatic transformations, to steamy situations without the ridiculous over abundance of panty shots and idiotic banter. But that is not to imply that there aren't ANY panty shots. Story wise it is very well written and will always leave you wanting more. One of the most likable things about the manga is the consistent character development between each other and independently. It is one of my favorite manga and I can't wait for the volumes to come. 3 of 3 people found the following review helpful. season 2 yahooo! By EDM this is second book in the rosario + vampire season 2 it is well done with comedy and serious situations. this is a harem anime about a boy who enrolls in a school of monsters and befriends numerous female friends who are monsters and they all have a thing for him. but he is undecided in his affections, doesn't want to those any of them. good manga to read if you haven't read season 1 its available on as well 0 of 0 people found the following review helpful. This is awesome but inappropriate By Megan E. Pratt I this manga but.... if your younger then 11 I recommend not reading this because of the characters and their actions. If you arent younger than 11 then it is just a surprising comic book which is better then the Avengers. (This is my opinion. Its not ment to be offensive or correct.)
