By Kesamn This is a great story that includes a lot of the monsters that we all know and love in a high school setting. It is cute, funny, action packed and sexy but I implore anyone who has seen the anime and hated it DON'T JUDGE THIS MANGA BY THE ANIME!!! The story is stronger, the dialogue is better and the characters are far less annoying! The manga does not

insult your intelligence but still provides an array of fan service to the benefit of the story instead of at the expense of it. Everything from epic beat downs, dramatic transformations, to steamy situations without the ridiculous over abundance of panty shots and idiotic banter. But that is not to imply that there aren't ANY panty shots. Story wise it is very well written and will always leave you wanting more. One of the most likable things about the manga is the consistent character development between each other and independently. It is one of my favorite manga and I can't wait for the volumes to come.

It is the start of the new term and the gang is wondering what is going on in the human world with Fairy Tale when a new transfer student arrives. He is suave, he is from China, and he wants Tskune as his partner in life. When he asks the girls what they are to him the he is shocked with the answer (friend, girlfriend, wife, mistress, and plaything, you can probably guess who said what). He also tells them that is a the son on a Triad boss and that Tskune can have all the others as wives as long as he is with him, which makes all but one of the girls happy (and the one that does not believe in poligamy is actually the most likely one since she has two people in her). But when the young man summons a firebird (a Legendary monster more powerful than a vampire) to destroy them it gets out of control, can Moka and Tskune put an end to this. Then it is athletic day, the gang gears up for some honest competition, but when the sister (a hopping corpse) of Tskune's latest flame drops in on him (literally) she proposes that if they win athletic day, Tskune is theirs. Can the gang stand up to the powerful new group, and can everyone's mothers even the odds? Then finally Moka is getting worn out easily, so Inner Moka berates her. The compromise Inner Moka gets to spend a day as a student. But one class appears to be Inner Moka's greatest weakness, can the others stoop to capatalize on it? But what happens when the seal is reattached and the Moka's can not switch back, is there a way to repair the damage. This is a light hearted book and a lot of laughs. I enjoyed it and looking forward to the next few as it appears things will get darker before getting better.

better than the anime. I love the story.

Love bites! Reads R to L (Japanese Style). Gangstah When a supernatural clan of gangsters makes you an offer you can't refuse... a. refuse b. gang up on them c. take the Rosario (off)

About the Author  
Akihisa Ikeda was born in 1976 in Miyazaki. He debuted as a mangaka with the four-volume magical warrior fantasy series Kiruto in 2002, which was serialized in Monthly Shonen Jump. Rosario+Vampire debuted in Monthly Shonen Jump in March of 2004 and is continuing in the new magazine Jump Square (Jump SQ) as Rosario+Vampire, Season II. In Japan, Rosario+Vampire is also available as a drama CD. In 2008, the story was first released as an anime. Season II is also available as an anime now. And in Japan, there is a Nintendo DS game based on the series.
