When they get out, Moka makes a deal with Aqua (who has a serious sister crush) that if she leaves the rest will be spared. Afterwards two faces from the psaat show up and offer to assist the gang in assulting the main Fairy Tale HQ to steal Moka from Aqua and bring about the monster revolution. Tskune

asks the elder Huang to begin training him in the method to stop aqua and save Moka as the rest of the Yokai academy group shows up to aid in the final fights. As the group begins training Kurumu passes out, it appears that our little succubus is so much in love that her very life and powers are unstable. But when Tsukune begins his training, the vampire blood takes over and shows that he is a greater threat than anyone had thought (think of what was learned in the last issue). Can Kurumu bring our hero back, and be able to take things to a new level in the process. The story was well developed, and was needed to set the mood for the final issue of this story arc. The extras at the end were HILARIOUS. Enjoy and wait for the next battle!

It is cute, funny, action packed and sexy but I implore anyone who has seen the anime and hated it DON'T JUDGE THIS MANGA BY THE ANIME!!! The story is stronger, the dialogue is better and the characters are far less annoying! The manga does not insult your intelligence but still provides an array of fan service to the benefit of the story instead of at the expense of it. Everything from epic beat downs, dramatic transformations, to steamy situations without the ridiculous over abundance of panty shots and idiotic banter. But that is not to imply that there aren't ANY panty shots. Story wise it is very well written and will always leave you wanting more. One of the most likable things about the manga is the consistent character development between each other and independently. It is one of my favorite manga and I can't wait for the volumes to come.

By dave I first read the intro chapter for season 1 in a shonen jump comic book and it was really great and interesting. I started buying the book series online along with the series DANCE IN THE VAMPIRE BUND after about 6 of the books in season 1 were out. Took me a few months to read through the books before the next volume came out but both of the series has never been dull or lacking in any areas. The authors do a good job keeping the storylines interesting and fresh so you stay hooked on what's happening til the end. Right now i'm working on volume 10 of season 2 and i bought volume 11 from a Barnes and Noble book store. They could be short and quick to read through but volume 14 of DANCE IN THE VAMPIRE BUND doesn't come out til the start of MAY followed by ROSARIO VAMPIRE season 2 volume 12 in AUGUST i think, so i might take my time with them. Overall both are great book series for almost anyone to enjoy cause they do have a indicated age limit on them for obvious reasons but both are my favorite books to read and i hope the 2 series continue for a good long time!!!

Love bites! Reads R to L (Japanese Style), for audiences rated teen plus. Average human teenager Tsukune accidentally enrolls at a boarding school for monsters--no, not jocks and popular kids, but bona fide werewolves, witches and unnameables out of his wildest nightmares! On the plus side, all the girls have a monster crush on him. On the negative side, all the boys are so jealous they want to kill him! And so do the girls he spurns, because he only has eyes for one of them--the far-from-average vampire Moka. On the plus side, Moka only has glowing red eyes for Tsukune. On the O-negative side, she also has a burning, unquenchable thirst for his blood... Fairy Tale Compared to Fairy Tale HQ, what is the goal of Fairy Tales branch office? a. the same b. the opposite c. better parking spots
