From Brand: Springer Publishing Company : Rural Nursing, Third Edition: Concepts, Theory and Practice before purchasing it in order to gauge whether or not it would be worth my time, and all praised Rural Nursing, Third Edition: Concepts, Theory and Practice:

0 of 0 people found the following review helpful. Binghamton University required readingBy MaximusI am currently taking courses at Binghamton University and we use this book. Lee and Winters have a real winner here! This is a great book for understanding Rural Nursing. Highly recommend.

Designated a Doody's Core Title! [T]his extended text on rural nursing is a significant contribution to the knowledge base on a phenomenon that is of significant importance to nurse educators, researchers, policy makers, and clinicians." --Dr. Angeline Bushy, PhD, RN, FAAN University of Central Florida College of Nursing (From the Foreword) Thoroughly updated and revised, this new edition of Rural Nursing provides the knowledge, skills, and insight nurses must acquire to meet the unique needs of rural populations. Winters and Lee present a broad overview of the perspectives of rural persons, the characteristics of health care in rural settings, and the requirements for effective nursing practice. With contributors from the United States, Canada, and Australia, this new edition presents an expanded view of how nurses can help make large-scale health care improvements in rural settings. Nurses will learn how to encourage changes in the health behaviors of rural people, pursue evidence-based practice and research, and create initiatives for improved education, practice, and policy. New and expanded topics include: Rural male caregivers Perinatal experiences of rural women Complementary therapy and health literacy in rural dwellers Childhood obesity and environmental risk reduction for rural children Rural public health in Native American communities

"Of significant importance to nurse educators, researchers, policy makers, and clinicians." From the Forward by Dr. Angeline Bushy, PhD, RN, FAAN Professor Bert Fish Chair Community Health Nursing College of Nursing University of Central Florida"From the Back Cover713About the Authoris an Associate Professor in the College of Nursing at Montana State University-Bozeman, Missoula Campus.
