That is definitely true here. I loved the anime and I am even more in love with the manga. The relationship between Hikari and Kei immediately grasps my

attention. Why? Because I can relate to their competitive and slightly sarcastic relationship. For those who do not like a slow developing relationship, this story may not be for you. However, I still recommend giving it a chance. Something about their friendship and slow developing relationship helps make this series. 0 of 0 people found the following review helpful. Hikari and Kei are pitted against a pair of professional wrestlers in a challenge issued by the student council. Hikari may now be on the same team as Kei, but a rival is still a rival!
