**Maki Minami : S.A (Special A), Vol. 3** before purchasing it in order to gauge whether or not it would be worth my time, and all praised S.A (Special A), Vol. 3:

0 of 0 people found the following review helpful. Love the series By JennI decided to purchase this manga after watching the anime. I know that the anime is never as good as the manga. That is definitely true here. I loved the anime and I am even more in love with the manga. The relationship between Hikari and Kei immediately grasps my attention. Why? Because I can relate to their competitive and slightly sarcastic relationship. For those who do not like a slow developing relationship, this story may not be for you. However, I still recommend giving it a chance.

Something about their friendship and slow developing relationship helps make this series. 1 of 1 people found the following review helpful. Second Rate Part 3 By Karusichan A race sparks a challenge between Kei and Hikari, one that could prove a costly thing if Hikari loses. See, Kei has wagered that if he wins she tell him exactly what his childhood rival, Yahiro, said to her about him. The fact that Kei might be in love with her is weighing heavily on Hikari's mind, but she naturally takes it as a lark considering that Kei is her rival and has been since she was 6 years old. This series has finally hooked me, and of course there's not going to be another volume for some time. Curses. Still, the storyline has improved greatly, considering that Hikari is so dimwitted about Kei's feelings the author can carry on with this plotline for some time. Gorgeously drawn... And I can't wait to see the Anime when it comes out. 0 of 1 people found the following review helpful. One Star By RMok

Yahiro, a childhood friend of Kei and Akira, tells Hikari that Kei is in love with her. An embarrassed Hikari would confront Kei to find out the truth...if she wasn't so busy avoiding him!

About the Author Maki Minami is from Saitama prefecture in Japan. She debuted in 2001 with Kanata no Ao (Faraway Blue). Her other works include Kimi wa Girlfriend (You're My Girlfriend), Mainichi ga Takaramono (Every Day Is a Treasure) and Yuki Atataka (Warm Winter). Special A is her current series in Japan's Hana to Yume magazine.
