Stan Lee : S.H.I.E.L.D. by Lee Kirby: The Complete Collection before purchasing it in order to gage whether or not it would be worth my time, and all praised S.H.I.E.L.D. by Lee Kirby: The Complete Collection:

0 of 0 people found the following review helpful. The King makes this book work. By Reviewer from Terra Some of the SHIELD stuff was great, some was just ok, some was poor. One of the things I enjoyed was Kirby's artwork. Really, the guy could do no wrong as far as I'm concerned. Kirby makes this book. Even if there were no words, just

looking at the nutty gizmos and gimmicks were great.0 of 0 people found the following review helpful. Classic Nick Fury!By CoachDMan, these stores take me way back to the mid to late sixties. I had read many of these stores before, but then again there were several that I missed. Nice to be able to fill-in the gaps.0 of 0 people found the following review helpful. nice little collection --By steve HaukDidn't like Stan's dialogue writing. This was right around the time period Kirby was having issues with Marvel, and you can see his involvement becoming less and less. Fun to see some of the fill-in artists, I especially enjoy John Severin's work.

Celebrating S.H.I.E.L.D.'s 50th anniversary, Marvel proudly presents the very first S.H.I.E.L.D. adventures! Having revolutionized everything from super heroes to war and Westerns, in 1965 Stan Lee Jack Kirby set their sights on the spy game. Cold War covert ops had been dominating headlines, so they created an international organization to protect the Marvel Universe. Headed by Nick Fury, S.H.I.E.L.D. featured amazing gadgets, world-dominating villains and the debut of the awesome Helicarrier! COLLECTING: STRANGE TALES (1951) 135-150, FANTASTIC FOUR (1961) 21, TALES OF SUSPENSE (1959) 78
