I don't own the TP but I read this series as it was coming out through single issues, and it's really cool. Very sharp and distinctive art style, and really fun characters. Imagine if the latter day saints were reincarnated as super humans in modern times, along with a heavy metal aesthetic. It's also worth mentioning that this book can definitely

be enjoyed by people of any religious belief (I'm an atheist myself). One negative I'll mention is that it does end a bit abruptly, but it's more of a product of the series being cut short rather than lazy writing. Overall, great series, definitely worth checking out. 2 of 2 people found the following review helpful. This is an amazing comic from playwright/This American Life commentator By Jess Hogan This is an amazing comic from playwright/This American Life commentator, Sean Lewis, and the talented artist Ben Mackey is fresh, original, and inspired. Get into Saints - you won't be sorry! 1 of 2 people found the following review helpful. Christianity from different angles By Paul Allard A group of Saints, reincarnated in our times, find themselves on a quest while the followers of Michael are out to prevent them. Recruiting along the way, they eventually end up in Babylon for the battle with Michael and the Four Horsemen of the Apocalypse. With simplistic line drawings, this comic collection shows us conflicts within Christianity as fanatics will do anything to maintain their position/beliefs. This was not really my sort of comic so I did not enjoy as much as others might.

When a group of misfits discover themselves to be the re-incarnations of Catholic Saints they must put aside their differences to battle the fallen angel Michael and his army of Doomsday Zealots. Critically lauded, this is the comic debut of award winning playwright Sean Christopher Lewis (Kennedy Center Rosa Parks Award; NPR'S This American Life) and graphic artist Benjamin Mackey (of Twin Peaks Tarot Card fame). SAINTS is the wildly funny and challenging story of people questioning what they believe in the midst of fighting for it. Religion, Humor and Heavy Metal combine in this audacious drama for adults. Sean Lewis' plays have been produced the United States and Europe winning the Kennedy Center's Rosa Parks Award, the Barrymore Award, the Smith Prize and many more. His work has been published in the NY Times Sunday Magazine, lauded in the Huffington Post, and heard on NPR'S This American Life. He is a proud father, husband and Artistic Director of Working Group Theater. He can be found at Benjamin Mackey is the co-creator and artist of the ongoing series SAINTS alongside Sean Lewis. While this is Benjamin's first foray into the world of comic books, he has been working as a freelance illustrator for various books, magazines, and films over the past six years. He lives in Arizona and enjoys a damn fine cup of coffee.
