out, but after reading it today, i feel pretty disappointed. this volume wasn't very suspenseful, like as if you had to know what's happening next. Here's a little summary of it: so Princess Sakura and her gang comes back from the moon and the emperor had asked the Aoba to marry Sakura and another princess named Yuri or hand Sakura over to the chief councilor. yaaa. so Aoba couldn't decide but he visits Princess Yuri and Yuri decides to seduce him and sleeps with him after getting drunk. Sakura stalking him for a few days finds out that he spent the night at yuri's place. when aoba returns sakura asked if he slept with yuri and he said he did. so then she slapped him and decides not to talk to him. later on, lord fujimurasaki and her starts hanging out and soon tells her that he loved her and she was the only person he desired to keep for himself. yaaa... so this is how volume 8 ends. and also, at the end there's a sequel to I.O.N. Hoped this helped \*\*Princess Yuri- the blue haired girl on the cover. 0 of 0 people found the following review helpful. Amazing Book By Sabrina Bui - Ngo I luv this series.. Its jus amazing and good.. The last volume is so sad but has a good ending.. I wish there was more instead of this being the last book... I felt like the endong was a bit too short.. Like there shouldve been more.. But I still luv this book.. The shipping was super fast and the book was in PERFECT CONDITION...
