Zak Sally : Sammy the Mouse #1 (Ignatz) before purchasing it in order to gage whether or not it would be worth my time, and all praised Sammy the Mouse #1 (Ignatz):

Double Eisner nominee (for his acclaimed Recidivist #3, which SPIN Magazine also called one of its "favorite things" in January) and all-around hot cartoonist Zak Sally leaps into Ignatz fray with the first issue of the ongoing Sammy the Mouse series. Rollick with Sammy and his pals Puppy Boy, H. G. Feekes and Him as they walk around, have epileptic seizures, talk to disembodied voices, drink liquor in a bar the shape of a giant baby, and scare the living hell out of each other. The artwork on Sammy the Mouse will be created using a sophisticated two-color process Sally already

showed off to fine effect in a recent MOME, making it one of the most visually arresting of the Ignatzes.
