**Alice Anne Address CCS-P CCP : Saunders Medical Office Management, 3e** before purchasing it in order to gage whether or not it would be worth my time, and all praised Saunders Medical Office Management, 3e:

2 of 2 people found the following review helpful. NoooooBy meowlfoxThis book is very outdated. If you are a teacher thinking of using this book, just dont. It references out of date information. It is cheap for students but I would not rely on this book for anything.0 of 0 people found the following review helpful. Very pleased.By CaitlynOrdered this item and received it very quickly! Arrived exactly as expected. Very pleased.0 of 0 people found the following review helpful. Excellent introductory book.By jdd428Great introductory book that is well organized and covers a lot of topics. Worth the money

With proven techniques and professional insight, this one-of-a-kind resource is your complete guide to ensuring both effective patient care and sound business practices in the medical facility. From the front office to financial management, each detailed chapter addresses the interpersonal and administrative concerns yoursquo;ll face in the

management of a medical office, accompanied by realistic forms, letters, and procedural policies that help you prepare for on-the-job success. This new edition keeps you up to date on emerging developments in billing and coding, documentation, ethical and legal issues, and technological advances to help you keep your medical office at the forefront of the competitive health care field. Managers' Alert boxes detail measures to help you avoid complications and prevent potential emergencies. From the Experts' Notebook boxes help you build daily decision-making skills with helpful tips, suggestions, and insights drawn from real-world practice. Exercises at the end of each chapter reinforce concepts and help you assess your understanding. Detailed appendices provide fast, easy access to commonly used abbreviations and symbols, Medicare information, helpful websites, and answers to the end-of-chapter exercises, as well as a sample procedure and policy manual to guide you in developing your own practices. Written Communication chapter helps you ensure proper communication and documentation in the health care facility. Updated content in the Medical Record chapter familiarizes you with the latest information on the electronic medical record. The updated Billing, Coding, and Collections chapter keeps you up to date with the latest coding and insurance forms (CMS 1500). Coverage of current legal and ethical issues and emerging technology in the medical office keep you apprised of recent developments.
