I've never been into comics. By dagodfather I just got into Savage Dragon a few months ago. This comic series (starting from issue #1) has/is an amazing ride. I've never been into comics, but this is the one title I follow. Great stuff!! 2 of 3 people found the following review helpful. Great read for a returning fan. By Ken Alberty After being away from the series for years, I was amazed at where the story goes in these books. I was quite pleased with the experiences this title provided.

Witness Savage Dragon's transition as he becomes the greatest foe to ever grace the pages of his own book! It's the end of the world as you've never seen it before! When Savage Dragon goes bad, who will face him? Would you believe everybody else? It's the most explosive finale in comics!
