Kanae Hazuki : Say I Love You. 1 before purchasing it in order to gage whether or not it would be worth my time, and all praised Say I Love You. 1:

2 of 2 people found the following review helpful. Really GoodBy RamonaI'm really happy with my copy of "say I love you" I've been a fan for a really long time and I'm happy they finally decided to release it I'm English print. The manga follows the anime pretty closely with a little more detail, the art is amazing, though a little different, Yamato and Mei's relationship begins beautifully here, the story is sweet without being overdone, or too clich. Overall it

exceeded my expectations. I hope kodansha decides to release the series all the way to the end because I will definitely be buying them all. 1 of 1 people found the following review helpful. I got inspired to read the manga after watching the anime (which I also fell in love with) but the fact that there are so many bits left out of the anime, makes the manga almost an entirely new story. I appreciate it's ability to bring up sex without taking it to the extremes. Its not about the fan service but more about the story and I love that. The art style of this book is just amazing and would definitely recommend others to read it. 0 of 0 people found the following review helpful. Don't buy! By Caity kHorrible quality. Came ripped and ruined. Don't buy!! I love this series but this seller is no good. Waste of money.

FRIENDSHIP? FORGET IT! Mei Tachibana has no friends and she doesn't need them! Ever since her friends betrayed her in elementary school, she's sworn off friendship entirely. All it leads to is betrayal and heartbreak, and she's well enough on her own. But everything changes when she accidentally roundhouse kicks the most popular boy in school! However, Yamato Kurosawa isn't angry in the slightest in fact, he thinks his ordinary life could use an unusual girl like Mei! He won't take no for an answer, and soon Mei and Yamato embark on an unwanted friendship that will change both of them forever. PRAISE FOR THE ANIME "Surprises with its honesty, its sensitivity, its quality. Always it is smarter, more poetic, more touching, just plain better than you think it is going to be." -Anime News Network

About the Author Kanae Hazuki has been drawing romance manga since 2004. Say I Love You, which Kodansha began serializing in 2008, is her breakout hit, and her first manga for teens to be published in English.
